PROFESSIONAL LEARNING FOR TEACHERS

WHAT?

Sportandi offers a fun range of professional learning workshops throughout the school year in Australia, Asia, Spain and the USA. The program is tailored to the school needs and can be presented in a range of languages such as:

- English
- Spanish
- Hebrew
- Portuguese

Our professional learning workshops caters to:

- Health and Physical Education Primary School Teachers.
- School Sports Coordinators
- Kindergarten Teachers
- Childcare Teachers
- Personal Trainers

The Olascoaga Method for physical education and sport is a unique teaching methodology created by Andres Olascoaga, that we use to deliver our exiting and engaging workshops. Our professional learning program is driven by excellent quality teaching and innovation in education which is relevant an tailored to your needs. For more information check our website.
